

HAAS

Multigrind CA

Stock no. :1022-E06284

MACHINE-DATA

Machinetype	: Tool and Cutter Grinder
Make	: HAAS
Type	: Multigrind CA
Year	: 2019
Control type	: CNC
Control	: -
Storage location	: Germany
Origin	:
Delivery time	: To be discussed
Quotation	: Ex Works
Price	: on request

TECHNICAL DATA

max. grinding diameter	260 mm
grinding length	- mm
workpiece length	- mm
Control	-
max. workpiece diameter	260 mm
grinding spindle drive	11/12 (18000 1/min.) kW
weight of the machine ca.	8,5 t

TECHNICAL DESCRIPTION

For sale is a Haas Multigrind CA CNC grinding center from 2019 with only 725 operating hours.

The machine is in very good, almost new condition and is fully functional.

It has an HSK 50 grinding spindle with a speed of up to 18,000 rpm and an output of 12 kW, which enables high precision and efficiency in machining.

The machine is equipped with a Siemens control system and extensive additional equipment such as an oil mist extraction system, fire extinguishing system and a T-slot plate for holding

clamping devices.

With a machine weight of 8,500 kg, it is robust and designed for demanding grinding work. The Multigrind Horizon software package offers powerful modules for rotationally symmetrical machining and CAD integration. The machine can be inspected by arrangement.

Equipment:

T-slot plate for holding clamping devices on the X-table (7 T-slots 12H7 at a distance of 50mm

Multigrind Horizon basic version (grinding software)

Rotationally symmetrical module

CAD module

External PC license module

Tool change wheel CA standard 1 wheel

Structure-borne noise and unbalance combined

Height-adjustable coolant nozzles

Cooling lubricant system Turboseparator (KSA 700 18)

Oil mist extraction

Fire extinguishing device

Collet base SK50/ HSK 80

Collet set 3409E D2-16

Hydraulic expansion clamp base SK50 D8-32

Intermediate bush set d32mm D8-30mm

3-jaw base d=160mm

Etc. (exact list if you are interested)
